Dear Zig,

As direct descendants of Col. John Butler we are well aware that you are portraying a Butler's Rangers Officer in re-enacting events in Canada and the United States. You have maintained the accuracy of the excellent relationship between the Six Nations allies and the Butlers Rangers from the American Revolutionary period to the present day through your tireless activities as a re-enactor and now within the school system.

The Butler family has a long-standing relationship with you, especially through our father, the late C. Lorne Butler, honorary colonel of the Butlers Rangers through McDonells Co. We are very appreciative and proud that you have kept the spirit and accuracy of this historic period. This is a strong testament to your commitment to the era, and to the high standing you have within the re-enactment community and our family.

We thoroughly support you in your many endeavours with the Butlers Rangers.

Best regards,

A handwritten signature in cursive script, appearing to read 'Jon C. Butler U.E.'.

Jon C. Butler U.E.
Fifth Great Grandson
of Colonel John Butler
